Re: *Right to Information and Protection of Privacy Act Request*

Dear Ms. Klassen:

This is in response to your October 8, 2013 request for information made under the *Right to Information and Protection of Privacy Act* for the following:

"...research backing the Specialized Care Bed Home admission criteria including literature and numerical statistics, pilot studies, etc."

I wish to advise that I am extending the time limit for responding to your request for an additional 30 days as per subsection 11(3)(c) of the Act which states:

11(3) The head of a public body may extend the time for responding to a request for up to an additional 30 days if

(c) a large number of records is requested or must be searched or responding within the time period set out in subsection (1) would interfere unreasonably with the operations of the public body.

Sincerely,

Madeleine Dubé
